

North American Membrane Society

NAMS 2014, Houston, TX, May 31 - June 4, 2014

www.membranes.org/2014

Dear Potential Sponsor:

The 24nd Annual Meeting of the North American Membrane Society, **NAMS 2014**, will be held May 31 - June 4, 2014 at the Sugar Land Marriott Town Square Hotel, in Houston, Texas. The hotel is located in suburban Houston within convenient proximity to numerous cultural and culinary opportunities. Furthermore, the greater Houston area offers numerous arts and recreation venues.

We are writing to ask that you consider becoming a meeting sponsor. As you know, NAMS' Annual Meeting is one of the pre-eminent membrane meetings in the world. We strive to keep registration fees low to encourage the greatest participation, especially from students. Consequently, your sponsorship is critical to helping us maintain the high standards of excellence that are expected of a NAMS meeting.

Five levels of sponsorship are available:

- Diamond: \$10,000 and higher
- Gold: \$ 5,000 - \$9,999
- Silver: \$ 2,500 - \$4,999
- Bronze: \$ 1,000 - \$2,499
- "Friends of NAMS 2014": \$ 250 - \$ 999

Each sponsor will be recognized in the program book, and receive one complimentary conference registration per \$2,500 contribution. Sponsors at the Gold level and higher also are provided complimentary exhibit space and will be named sponsors of conference events. A detailed list of the incentives that accompany each level is provided on the Sponsorship Form that accompanies this letter.

The **NAMS 2014** technical program will have a special emphasis on membranes for water and energy applications. This emphasis reflects the growing concern of society for sustainable living and the important role that membranes will play in achieving this goal. The technical program also will highlight the traditional areas of programming at a NAMS meeting ranging from materials development to applications for gases and liquids. The meeting website is open for abstract submission, hotel reservation, and meeting registration. We encourage you to visit www.membranes.org/2014.

To become a sponsor, simply complete the accompanying Sponsorship Form. Feel free to contact any one of us if you have questions. We look forward to your response.

Sincerely,

Felecia Nave¹ and Shankar Chellam², **NAMS 2014 Meeting Co-Chairs** and Keith Murphy³ **NAMS 2014 Fundraising Chair**
